

# SCHNEIDER

## Impeller pump MB series with frequency converter

- ◆ Reliable
- ◆ versatile
- ◆ gently
- ◆ incl. VA -Chassis

**\*\* NEW - with new spur gear motor**

**\*\* The pump always reverses, quietly and gently**

- gentle pumping of the medium due to low operating speeds
- Stable spur gear motor
- Large-dimensioned impeller
- shaft sleeve on the pump shaft guarantees good sealing of the pump
- pulsation-free pumping
- Pumping of solids in the product

**with mounted frequency converter in stainless steel housing - infinitely variable**

**MB-FU 1000 – 10000 l/h and 60 – 500 UpM**

**MB-FU 1000 – 15000 l/h and 60 – 700 UpM**

**MB-FU 1000 – 20000 l/h and 60 – 900 UpM**

**Incl. emergency stop switch, mains filter and shielded cable**

# SCHNEIDER

## Impeller pump MB series with 2 speeds

- ◆ Reliable
- ◆ versatile
- ◆ gently
- ◆ incl. VA -Chassis

**MB 5000 + 10000 l/h** and 250/500 UpM

**MB 7 500 + 15000 l/h** and 350/700 UpM

**MB 10000 + 20000 l/h** and 450/900 UpM

Surcharge for bypass
